“Maharashtra University Act 2016: Greater Autonomy and Functions”

Date: 10-04-2017

Total Participants – 80

The State Legislative Assembly passed the New Maharashtra Public University Act 2016 paving the way for wide ranging fundamental Reforms in the function of public Universities. The Act ushers in far reaching changes in various areas of University Activities Putting students interest at the centre as also is lend greater autonomy of functioning and eliminate rampant commercialization of education.

Among the many new ideas sought to be implemented are reintroductions of University Elections, Setting up of students developments council, Choice based credit system cutting down and political appointments through nominate experts, increasing social reservation in various university bodies, special emphasis on skill development, uniform regulatory regimen for all universities, introduction of modern accounting system and so on.

In view of this it is felt that there is a need to enlighten the teaching and non-teaching faculty of Affiliated College about this Act. Hence the present workshop is organized.
